CXT Software brings Josh Weinstein on board as Software Implementation Specialist.

Phoenix, AZ – December 21, 2007 – CXT Software, a leading edge provider of same day and expedited delivery software announces that Josh Weinstein has been hired as a Software Implementation Specialist.

Mr. Weinstein will support the implementation team with installation and training of new CXT Software clients. "Josh has been hired due to increased demand for CXT Software solutions, and his employment could not come at a better time. CXT Software is committed to providing the best implementation services to new clients and Josh will immediately become a vital part of maintaining this goal. Josh's technical background as well as his customer service and communication skills makes him a perfect fit to add to our team of implementation specialists," says Derek Figg, VP of Operations for CXT Software.

Josh, a native of Arizona, is currently attending Arizona State University and will graduate in May of 2008 with a degree in Computer Information Systems from the W.P. Carey School of Business.
