## **CXT Software Launches New Website**

**Phoenix, AZ – July 1, 2008** – CXT Software, a leading edge provider of same-day and expedited delivery software is pleased to announce the launch of their new website.

CXT Software officially launched its new site at [www.cxtsoftware.com](http://www.cxtsoftware.com) on July 1. Developed by Appelmann Creative, the updated site has a fresh look and feel, a clearer, more intuitive navigation scheme, and a flexible architecture to simplify future content changes.

Some of the new features of the site include expanded and updated information about their feature-rich software products—including X Dispatch, customer testimonials and case studies, and a more in-depth look at the company—complete with bios of company executives. The brand new Press section, puts everything newsworthy in one convenient place and even includes an RSS feed that you can subscribe to.

“Our new site shows prospective and existing customers not only the ingenuity behind our products but gives them a glimpse at their capabilities,” said Dan Calderone, CEO CXT Software.

### **About CXT Software:**

CXT Software is a leading edge provider of software solutions for the on-demand, distribution and scheduled route delivery industries. The company is dedicated to providing companies with the tools necessary to thrive and compete in an ever-evolving marketplace. CXT Software is an Arizona based company with headquarters in Phoenix.
