Nick Holden Hired to CXT Software Technical Support Team

Phoenix, AZ – December 8, 2008 – CXT Software, a leading edge provider of same-day and expedited delivery software is pleased to announce that Nick Holden has been hired as a Technical Support Specialist.

Mr. Holden brings with him an extensive background in customer service as well as years of experience in Windows operating environments. His responsibilities will include efficiently establishing the nature of all technical support calls, providing immediate support solutions or quickly dispatching support requests to appropriate team members for their resolutions.

“Expanding our technical support staff is very important to CXT Software as we continue to work tirelessly on better and more efficient ways to support our growing customer base.” states Derek Figg, Vice President of Operations. “Nick possesses all of the natural tools of an excellent customer service person as well as the technical know-how to assist our customers with fast troubleshooting and effective user training.”

Nick currently resides in Phoenix, Arizona. He relocated to Phoenix from his home state of Wisconsin to soak in the beautiful hot weather while attending the Motorcycle Mechanics Institute.
